TIPS ABOUT RADICALISATION

IT'S A PROCESS

It is a process through which a person comes to support or be involved in extremist ideologies. It can result in a person becoming drawn into terrorism and is in itself a form of harm.

IT HAPPENS GRADUALLY

So children and young people who are affected may not realise what it is that they are being drawn to.

IT CAN HAPPEN TO ANYONE

Thinking that something like this will never happen to you makes you vulnerable, since it may make it difficult for you to realize you are recruited.

WHAT CAN I DO IF I SUSPECT THAT SOMETHING STRANGE WILL BE HAPPENING?

Think about the following situations and decide what
would you do in the same circumstances.

In your class

There is a girl who
has come with her family from Syria
fleeing the war.

After sports lesson, your best mate send you a message
saying that she thinks
it would be funny to take her clothes out of the locker to
have a great laugh, saying that is just a "funny joke" and that
there is nothing to be worry about.

What would you do?

After your lessons

There is a huge demonstration against refugees privileges in your city. Your mates send you a message saying that everyone in your High School is going, and that it would be cool for you to go, so you could be more integrated in your group of friends.

You know that in this kind of events, some people undertake violent acts against refugees, insult or ridicule them.

What would you do?

You are having a drink with your best mate

She has met you in the neighborhood
where the refugee girl who goes to your
class lives.

Suddenly, he/she has begun to insult the
people who are passing through the street,
to laugh at them and the way they dress.

What would you do?

After finishing your lessons today

You hear a very loud noise in the
hallway

When you arrive at the place, your friend
and five more guys are beating the little
brother of the refugee girl from your class

What would you do?

Today in one of your lessons

A new girl has arrived who
is fleeing the war in Yemen.
After introducing herself,
she tries to find a person to sit
with.

Everyone is starrng, or just looking away to
avoid being chosen. She is starting to feel
uncomfortable.

What would you do?

DON'T LET ANYONE CONTROL YOU
